Gentlemen:

I am herewith enclosing four coupons, Kingdom of Roumania bonds, payable April first, 1929, which you said you would negotiate for me from time to time. These amount to 16£.

I still have temporary certificates on Crown Cork and Steel Company. Have the permanent certificates come out as yet? Also, I have Interim Certificat, Dominion Power and Chemical Company bond. Has the definite bond yet been issued?

Very truly yours,

Curator
